MIXED MESSAGES

by Luciano Iogna

Mixed Company Theatre presents Mixed Messages, a play that follows the story of Teesha, a young woman determined to balance academics and a new social life in her first year at college.

Teesha struggles with social pressures and the influence of her peers until one evening, impaired judgment and miscommunication results in unwanted circumstances.

Mixed Messages uses Forum Theatre to address issues of drugs, alcohol and sexual assault and asks students to discuss: "What could have been said or done differently so that things didn't end this way for Teesha and others?"
