Mixed Company Theatre Announces The Forum Theatre Joker Master Class!

Mixed Company Theatre hosts its annual *Forum Theatre Joker Master Class* in Toronto, June 22 - 25. Facilitated by Artistic Director and founder of Mixed Company Theatre, Simon Malbogat, this 4-day interactive workshop is designed for people experienced in Forum Theatre who want expand their knowledge and become *jokers*, or group facilitators.

The workshop challenges participants to become awake, aware and alert to the internal and external manipulators of human behaviour, and master the nuances of guiding a group through hard-to-talk about issues. Limited to 20 participants, Forum Theatre scenes are quickly created and participants practice various styles of facilitation, studying themselves and others with input from the group, learning conflict resolution, audience/group management, including games and techniques to further animate and explore opinions and ideas of an audience.

Acting and directing for more than 35 years, Malbogat has studied with *Theatre of the Oppressed* icons Augusto Boal, Jerzy Grotowski, and Eugenio Barba. Leading workshops internationally and directing productions across Canada, Malbogat brings Mixed Company's work to Finland, Ukraine, Turkey, Israel, India and Brazil. Malbogat guides the group through the fine art of *joking* - asking questions, making connections, and instructing how to engage groups, Forum Theatre audiences and *Spect-actors*.
