This fun and humorous tale plays with the many aspects of being **environmentally friendly**, including the 4th 'R' - **Refuse!**

Students will learn about the dangers of plastic and how to **reduce their ecological footprint**, **reduce/reuse/recycle/REFUSE** with savvy, and to **brainstorm how to GREENIFY** their environment as responsible "ECO" citizens.

MCT-created lesson plans and resource guides tied to Ontario curriculum help teachers incorporate the performance into their classroom schedule!
