## ***A Fine Line to Empowered Students***

**Toronto, January 26, 2010 -**

“I am a player, I play. So let’s get on with the play.”

These words open *A Fine Line*, the showcase readings of Mixed Company Theatre’s newest play, at upcoming Empowered Student Partnership Events.

Created in collaboration with students who have experienced harassment in their schools, supported through the Ontario Arts Council, Mixed Company’s Playwright in Residence, Heather Marie Annis, presents the worst-case scenarios of harassment. These readings of *A Fine Line* will catalyze audiences to discuss and react to these themes and events, creating solutions together that will make our communities safer.

Educators, students, parents, community members and police officers are invited to attend these upcoming ESP Events. There, Mixed Company Theatre will help to create a forum for dialogue on the issues of harassment and bring public attention to the prevention initiatives in our schools.
